

2017 TAAS Summer School Class Information

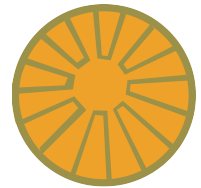

台北復臨美國學校 夏令營課程簡介

At TAAS, this year's summer school will be filled with many new experiences. One of the main focuses of our camp experience will be taking part in the Adventurer Series curriculum. This curriculum is similar to the Boy Scouts of America but also adapted for G1 to G6 students. The goal of the Adventurer series is to encourage the physical, mental, and spiritual development of each child. Students will be working on many fun and educational projects specifically designed to build on each other. As they complete the project categories students will be awarded patches that they can collect. There are hundreds of patches available to be completed over many years of potential fun. This year is sure to be the best summer camp yet!

今年夏天 TAAS 夏令營將充滿許多新的體驗。本校夏令營自去年以來，使用冒險家系列課程。本課程是類似美國的童子軍，但也適合於年紀在小一至小六的學生。冒險家系列課程的目標是幫助每個孩子生理、心理和精神的發展。學生們將專注於有趣的計畫並幫助彼此的成長。當他們完成特定的項目時，學生將被授予布章。有數以百計的布章等待孩子花時間來收集，而過程一定也會很有趣。今年肯定是很棒的夏令營！

Grades 1&2 一、二年級課程-Sunbeam

Join the Sunbeam class for a summer of learning and fun! We will practice reading, writing, listening, and speaking English. Each week will have a theme: nature, nutrition, arts and crafts, and math fun. We will learn vocabulary, play games, read stories, sing songs, and complete DIY projects. Activities will include cooking and baking, making handicrafts, collecting seeds, hunting ladybug beetles, making a geometric shape scrapbook, and more. We will have a swimming lesson once a week and a field trip every Friday.

趕緊加入今年“Sunbeam”的課程！除了學到英文的聽說讀寫之外，每週還有主題教學：自然科學、營養教學、藝術人文、還有數學課程。我們會從遊戲、閱讀、唱歌及DIY手做課程中，學習到不同的英文字彙及會話。除此之外，老師們還會帶領學生動手做烘焙、完成許多手工藝品及製作屬於自己的生態筆記。更棒的是，每週都有游泳課及校外教學之旅！這樣豐富的多元課程，保證讓你的夏天和別人不一樣～

Grades 3&4 三、四年級課程- Helping Hand

This summer we will have a lot of fun learning about nature and our world while practicing and enhancing our English language skills. We will study countries around the world; learn about rocks, minerals, and precious stones; make a crystal garden; learn all about the honeybee; observe natural habitats and create our own habitat. We will learn to appreciate and take care of our environment and how to use technology responsibly and creatively. We also will listen to stories, write our own story, cook, create, and read, read, read fantastic books! We are looking forward to having fun learning together this summer!

在 Helping Hand 班，我們將從自然的課程中提昇英文的語言能力！我們會學習到世界不同的自然生態及岩石礦物，除此之外，我們將學習到如何聰明的運用科技去觀察我們週遭的環境及生命，能夠透過不同角度的學習去發掘更多野外中才能獲得的知識，動手種植花草及觀察生態變化。藉著聽故事、製作筆記、烘焙、閱讀及其他有趣活動來充實今年的夏天！快點來加入“Helping Hand”吧！

Grades 5&6 五、六年級課程- Companion

Have you ever dreamed with flying? Do you have a pair of shoes you don't use because they are already worn and damaged? Have you ever heard about a military band? What about whistling? Well, most likely you will never fly on your own unless you become a bird, but you can learn from scratch how to make your own analog flying machine, better known as Kite. And if you want to look trendy and vintage and save some money at the same time, you will be able to do basic repairs to those old-full-of-holes shoes that you don't want to wear anymore. If you like sounds and music, then you will have the chance to create your own wind instruments like flutes and whistles, and you also will learn how to basically play them!

Drumming will be fun, noisy and challenging! Join us for the great adventure of being unique by learning new things this coming summer... YOU CANNOT MISS IT!

有沒有曾經夢想過飛翔的感覺？還是你有幾雙心愛的鞋子，但卻因為小小的破損而無法繼續穿它？你有沒有聽過軍隊的樂團演奏是如何的？你知道口哨能演奏出千變萬化的樂曲嗎？在“Companion”課堂中，會教導你不止英文上的知識，還有許許多多有趣又實用的生活技能，製作屬於自己的風箏、學習如何修補損壞的鞋子，如果你特別喜歡音樂，我們還會製作笛子、口哨和打鼓課程。千萬不要錯過這好玩又有趣的夏天，更酷的是，當你完成所有技能時，還可以獲得童子軍的布章唷！
