

Taipei Adventist American School Photo/Videotape Release Form

Through out the school years, there may be times when Taipei Adventist American School (TAAS) staff, the media, or other organizations, with the approval of this school principal, may take photographs of students, audiotape/videotape students, or interview students for school-related stores in a way that would individually identify a specific student. Those photographs and/or audio/videotaped images or interviews may appear in school publications; in school video productions; on the school website; in the news media; or in other non-profit, education-related organizations' publications. Please complete this form, and return it to the TAAS office.

I hereby grant unto TAAS and its parent organization the right to use my child's photograph and/or videotaped image for the purposes mentioned above. I understand and agree that TAAS may use these photos and/or videotaped images in subsequent school years unless I revoke this authorization by notifying the school principal in writing.

I further grant unto TAAS permission to allow my child to be photographed, audio/videotaped, or interviewed by the news media or other organizations for school-related stories or articles.

Granting of permission is voluntary. Please return completed form to school.
